## Skills

Data Science

Machine Learning

Python Programming

Artificial Intelligence

Data Analysis

Cybersecurity Principles

Software Testing

## Languages

English

Kannada

Hindi

Motivated and detail-oriented aspiring Python Developer with a solid foundation in computer applications, currently pursuing a Master of Computer Applications (MCA). Proficient in Python, C, C++, and Java, with additional exposure to tools such as MATLAB and Microsoft 365. Completed foundational courses in Machine Learning and MATLAB Onramp, showcasing a proactive and self-driven learning approach. Eager to apply strong programming and problem-solving skills in a dynamic, real-world development environment.

## Experience

### Python Development Internship
*AICTE / 2023*

- Contributed to the development and debugging of Python-based applications, enhancing overall code efficiency and performance.
- Assisted in building RESTful APIs using Flask/Django and integrated them with frontend interfaces for seamless user interaction.
- Collaborated with senior developers to implement data processing scripts, streamlining workflows and reducing manual tasks.
- Participated in Agile ceremonies, peer code reviews, and version control using Git, gaining hands-on experience with modern software development practices.

## Education

### Bachelor of Computer Applications
*Bangalore University / 08/2024*
Bengaluru
CGPA: 70%

### Master of Computer Applications
*SVYASA Deemed to be University / 2025*
Bengaluru
CGPA: 77%

## Courses

Machine Learning

MATLAB Onramp

## Projects

Machine Learning on Employee Attrition

Cybersecurity Dashboard Project
